

## Newsletter

The count down is on. There are only six days of school!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

You didn't get your newsletter last week because we were off blasting rockets. It was a perfect sunny day, with a little wind, high up in the sky. Super Rocket Steve set up the blast off for us. We all stood on the edge of the splendid sidewalk waiting for each group to press the magic button that sent the rocking rockets racing up into the sky. We all cheered and watched it soar into the stunning, sunny, sky. As they floated down we realized it was really a windy day. We raced after our rockets as they floated out of view. Some got stuck in the stinky sewage, and some disappeared into the tall, treacherous grass. One actually got drowned in the water,(we think). Two survived. All in all it was a stupendously exciting day.

This week we have been working hard creating the most unique history fair yet. You lucky parents and friends get to be the actually audience for our first performance. (we are planning another next year). The presentation will take place on Tuesday, May 29, at 3:30 at the Annex. Please pick kids up at the Annex and stay for the great show.

"It's a celebration!" We are planning an end of the year treat for All kids in the class (some won't go on the class trip). On Wednesday, May 30, we plan to go to a movie. There will be two choices: Pirates of the Caribbean or Shrek III. Pirates of the Caribbean needs a permission slip as it is a PG 13. Shrek is good for anyone. We plan to go to the early movie, but actual times will not be known until the movie comes out. Check with Pat if you have questions or concerns.

We have been planning our end of the year class trip to **ST. LOUIS**. Leaving May 31 and returning Saturday, June 2. Programming will be available for kids not going on the trip. We plan on seeing the sights and having a great time. Permission slips and information will come home Tuesday.

Thanks for a great year! (It's almost over)
